

BC & ALBERTA GUIDE DOGS

ANNUAL REPORT

2018/2019

MESSAGE FROM OUR CHAIR & CEO

LINDA REID & WILLIAM THORNTON

BC & ALBERTA GUIDE DOGS

The Board is pleased to share that BC & Alberta Guide Dogs has now officially amalgamated with Vancouver Island Compassion Dogs (VICD). In the past, we were partnered with VICD as they started to provide PTSD Service Dogs to military and RCMP Veterans living on Vancouver Island, BC. We were providing adult dogs and mentorship. After seeing how compatible our organizations were from a logistical and strategic perspective, it made perfect sense to combine our strengths and resources to advance both of our missions to help vulnerable people in need. As such we have now completed an amalgamation with Vancouver Island Compassion Dogs and we now refer to them as a Division of BC & Alberta Guide Dogs. Co-founder Mike Annan remains as the Executive Director. VICD Donors may continue to designate their financial contribution to VICD as opposed to our Guide Dog or Autism Service Dog programs.

The enclosed financial highlights show that revenue for the year ended June 30, 2019 amounted to \$1,840,028. This was up approximately \$200,000 from 2018. Expenses amounted to \$2,048,678; resulting in a deficit of \$208,650, due to an increase in the cost of expanding client services.

On behalf of the Board of Directors, we would like to thank all of our supporters. We are only able to provide our life-changing dogs because of our wonderful family of volunteers and donors – thanks to each and every one of you for playing an integral part in our shared success.

We look forward to working with you in the year ahead as we aim to exceed our initial goal, set in 1996, of graduating our 220th team by 2020!

We hope that you enjoy the news and stories included in the annual report.

THANK YOU FROM OUR PATRONS

LEAH & HOWIE MEEKER, CM

We feel so privileged to watch BC & Alberta Guide Dogs grow and expand each and every year! It has been wonderful to see the staff and volunteers embrace the new amalgamation with Vancouver Island Compassion Dogs, and enthusiastically make dreams come true for our Veterans.

So many families are blessed with the life-changing dogs that come out of this organization. We know this wouldn't be possible without the tireless work of the staff, volunteer whelpers, volunteer puppy raisers, volunteer boarders, supporters, and donors like YOU!

Our tradition is to join you on the course each year for the annual Golf for Guide Dogs tournament. This wonderful event has now been going for 22 years! What a testament to our loyal community. How inspiring and encouraging to see everyone come together for a common cause.

Congratulations to this year's graduates. We wish you all a bright future, and we look forward to seeing even more teams placed together in the coming year.

ANNOUNCING THE CLASS OF 2019

CONGRATULATIONS TO THIS YEAR'S GRADUATED GUIDE AND SERVICE DOGS!

We are looking forward to
graduating the *Class of 2020*
with your support!

RECOGNIZING OUR VOLUNTEERS

TIME, ENERGY & LOVE FROM OVER 200 VOLUNTEERS ACROSS BC & ALBERTA

Did you know that **over 200 volunteers** help us achieve our mission? Volunteers are there right from the beginning, even before the puppies are born, where loving homes are provided for our breeding dogs. Then whelpers house and care for the expectant moms and their pups for up to 10 weeks, with support and direction from BC & Alberta Guide Dogs staff.

The 8 week old puppies are then placed with their Puppy Raisers who help prepare them for advanced training by teaching them obedience and socialization skills. The puppies travel with them everywhere they go, as well as attend training sessions under the supervision of our Instructors.

While the dogs are in advanced training, they live in homes with our Dog Boarders. The Instructors pick up the dogs each morning and drop them off at the end of their 'school day'.

Numerous people also help at the offices in both provinces, and many dedicated fundraisers help out with events and programs.

The dedication and love provided by our volunteers is a cornerstone of our organization. We can not begin to express our gratitude for their tireless work. As we continue to grow, the need for volunteers only increases, so we applaud those who give their time, energy and love to our cause.

Thank You.

It is hard to relate how rewarding it is to raise and whelp a litter of puppies, I really get a loss for words of the feelings I have. Maybe the smile on my face can tell it all!
- Ken, volunteer Whelper

”

As hard as it was saying goodbye, I am so glad I took part in this program. I hope to see him graduate and be able to be someone's best friend, the way he was mine.
- Jordan with puppy-in-training, Rowdy

”

I love the variety of jobs that I get to do, I get to have some puppy loving, I get to look after puppies as a puppy sitter, and I get to meet all kinds of wonderful people. It's just a great way to serve the community.

- Wendy, office volunteer

TRANSFORMING LIVES

FULL STORIES CAN BE FOUND ONLINE AT BCANDALBERTAGUIDEDOGS.COM

Before Pebbles came into my life, going out on my own was a challenge. But now, I don't have any doubts at all. Pebbles has essentially become my safeguard. Obstacles and areas with low lighting are no longer an issue and I trust Pebbles to safely get me through any area we come upon.

- Jashandeep with Guide Dog Pebbles

Grace changed our world in more ways than you can imagine. We live in an area with lots of parks and fields, but sadly Carson could not walk to them without tripping or bolting into traffic. As soon as Carson was attached to Grace, he began walking at such a calm and steady pace and the tripping stopped. Now he walks everywhere multiple times a day.

- Carson with Autism Support Dog Grace

So much changed when I was given Tiaa. If I sit still, go inward and do nothing, she will come along, nudge me and puts her head on me. I'm going out just for her, not for myself. But it's begun to become my purpose. Now for every breath I take outdoors, I want two. For every lap I do around the park, I can't wait to do another.

- Patti with PTSD Service Dog Tiaa

The bond between Kye and Corky has been gradual and slow, but profound to watch. Each day the two demonstrate a little more non-verbal connection and build a foundation more solid than any we could have hoped for. We are able to go out without fear of Kye running into traffic or running ahead so far we can't catch up. This is a pleasure not many people will understand.

- Kye with Autism Support Dog Corky

Andy, along with me during my well as with my money or other types of

My PTSD crippled me in terms of being a productive member of society. I was basement-bound for two years before I was paired with Monty, and he has changed my life unbelievably since then.

I can now go to the pharmacy for my medications (I previously had to get them delivered) and I can also get groceries with Monty by my side. He has given me the mobility and confidence to be out in public.

- Matt with PTSD Service Dog Monty

After training, recipients graduate with public access certification as per the Guide and Service Dog Act.

They are re-certified annually, and are provided with support for the working life of the dog (usually 8 years), all at no cost to the recipient.

Tipper has been a wonderful companion since the first day. He is always ready to work, eager to learn a new route or to locate anything when he is asked to do so. We've been for some nice walks together, but I am definitely a LOT faster at getting around with Tipper, as he is quite the speedy dog. I was certainly a lot slower when I had to use my cane for the months without a guide.

- Angell with Guide Dog Tipper

Not only has Cory given us more independence when we are in the community, but she has given Caleb a taste of the freedom that we know he desires. When he is tethered to her, he skips alongside her, but stays close and follows Cory's lead when it's time to stop or carry on.

- Caleb with Autism Support Dog Cory

Annie has given me more freedom than I have ever experienced. I have explored more of my hometown in the past 2 months than in the previous two years!

I used to walk around using my long cane and felt that people didn't want to talk to me. Now that Annie is taking me places, people are coming up to talk to me and to meet Annie. She is a great conversation starter.

- Ed with Guide Dog Annie

VICD SERVICE DOG PROGRAM

A RENEWED SENSE OF PURPOSE, CONFIDENCE AND UNCONDITIONAL SUPPORT

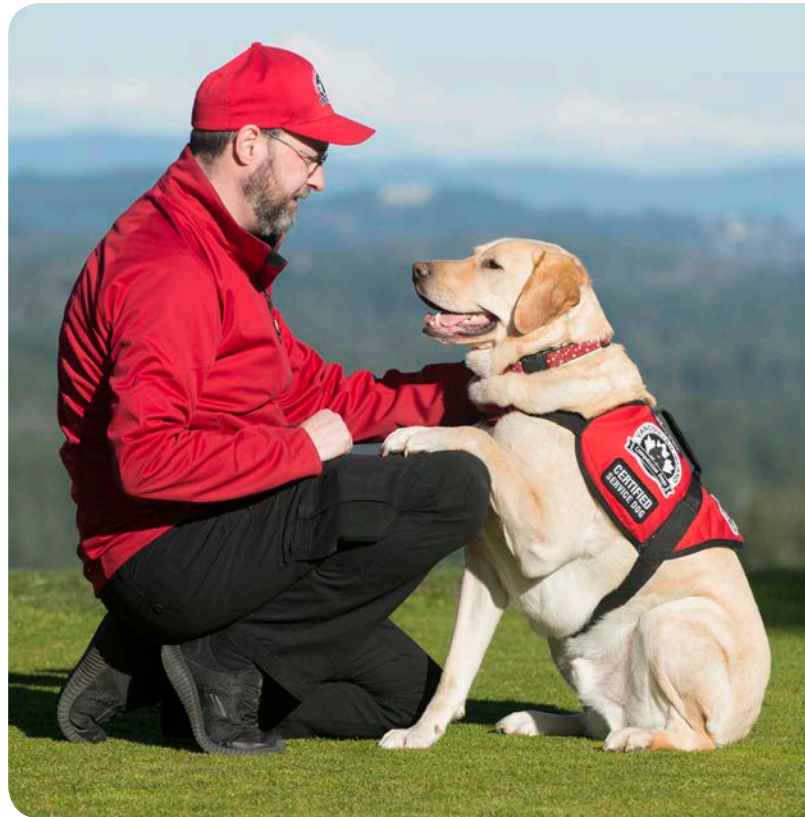

Vancouver Island Compassion Dogs (VICD) matches professionally-trained PTSD Service Dogs with military and RCMP Veterans living with an Operational Stress Injury (OSI). The teams embark on a 52-week Healthy Community Living Program that teaches strategies that support community transition, inclusion and accessibility.

A Veteran's Service Dog learns to be responsive to their needs, wakes them from nightmares, grounds them with applied pressure when they enter a hyper-aroused state and supports them as they work on healthy community interaction.

Sarge is there to calm me down, and I can begin to ignore a situation just by focusing on him.

- Stéphane with PTSD Service Dog, Sarge
